WHAT IS SOCIAL MEDIA MARKETING?

Social Media Marketing (SMM) is the process of using social media platforms such as Instagram, Facebook, LinkedIn, YouTube, and X to promote a business, build brand awareness, engage with customers, generate leads, and increase sales.

Main Activities in Social Media Marketing

1. **Content Creation – Posts, reels, stories, videos, carousels, etc.**
2. **Content Planning – Creating a social media content calendar.**
3. **Community Management – Replying to comments, messages, and customer queries.**
4. **Organic Marketing – Growing the audience without paid advertising.**
5. **Paid Advertising – Running campaigns through platforms such as Meta Ads and LinkedIn Ads.**
6. **Influencer Marketing – Collaborating with relevant creator.**

Organic VS Paid Marketing

VS

- **Organic Marketing**

1. **Promoting a business without directly paying for reach**
2. **Usually low or free**
3. **Builds reach gradually**
4. **Helps build trust and engagement**
5. **Usually takes more time**
6. **Posts, reels, blogs, SEO, stories**
7. **Mainly existing followers and people reached naturally**
8. **No direct ad payment**
9. **Reach, engagement, followers, organic traffic**
10. **Posting a restaurant reel on Instagram**

- **Paid Marketing**

1. **Promoting a business through paid advertisements**
2. **Requires an advertising budget**
3. **Reaches targeted audiences**
4. **Highly targeted**
5. **Can generate results faster**
6. **Sponsored posts, Meta Ads, Google Ads**
7. **Can reach new and specific audiences**
8. **More control over audience, budget and placements**
9. **Promoting that reel using Meta Ads**

SOCIAL MEDIA PLATFORMS

Social media platforms are online channels where businesses and individuals create, share, and interact with content to communicate with their target audience.

Main Points

- **Instagram – Reels, posts, stories**
- **Facebook – Posts, reels, groups, ads**
- **LinkedIn – Professional posts and articles**
- **YouTube – Shorts and long-form videos**
- **X – Short posts and real-time updates**
- **Pinterest – Visual content and ideas**
- **WhatsApp – Status, messages, and business communication**

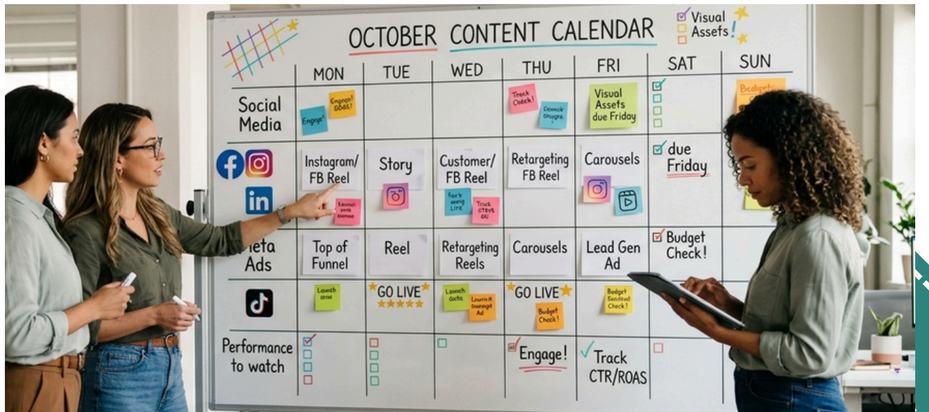

Content Calendar

A content calendar is a planned schedule that organizes what content will be published, when it will be published, where it will be published, and what objective it will achieve.

Main Points

- **Content planning – Decide what to post.**
- **Posting schedule – Decide dates and times.**
- **Platform selection – Choose Instagram, Facebook, LinkedIn, etc.**
- **Content type – Reel, image, carousel, video, story, article.**
- **Content pillars – Educational, promotional, informative, entertaining, etc.**
- **Caption & hashtags – Prepare supporting text.**
- **CTA – Tell the audience what action to take.**
- **Approval & scheduling – Review and schedule posts.**

ENGAGEMENT

Engagement in social media is the interaction people have with your content, such as likes, comments, shares, saves, clicks, and messages.

Conversion Tracking

Conversion tracking is the process of measuring and recording the actions people take after interacting with your advertisement.

Conversions:

- 📞 **Phone calls**
- 📝 **Form submissions**
- 🛒 **Purchases**
- 📅 **Table bookings**
- 💬 **WhatsApp/messages**
- 📍 **Location or direction clicks**
- 👤 **Sign-ups**
- 📥 **Downloads**

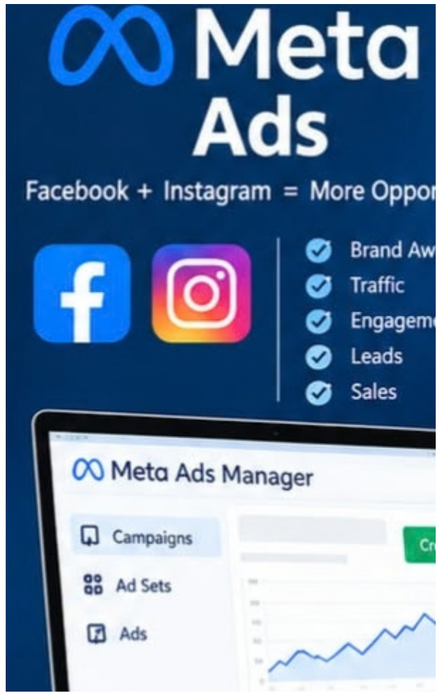

WHAT IS META ADS?

Meta Ads are paid advertisements created through Meta Ads Manager to promote a business, product, service, or content on platforms such as Facebook and Instagram.It provides tools for social networking, content creation, advertising, business promotion, and audience engagement

Main Points

- 💰 **Paid Advertising – You set an advertising budget.**
- 🎯 **Audience Targeting – Target by location, age, interests, behavior, custom audiences, etc.**
- 📱 **Platforms – Mainly Facebook and Instagram.**
- 📢 **Ad Formats – Image, video, carousel, Stories, Reels, and lead ads.**
- 🎯 **Campaign Objectives – Awareness, Traffic, Engagement, Leads, Sales, etc.**
- 🔄 **Optimization – Test and improve ads, audiences, creatives, placements, and budgets.**

META [FACEBOOK & INSTAGRAM]

Facebook and Instagram are social media platforms owned by Meta. Businesses can manage both platforms together through Meta Business Suite and create advertisements for both using Meta Ads Manager.

Facebook

- Used for posts, videos, Reels, Stories, Groups, and Events.
- Businesses can create a Facebook Page.
- Helps build communities and customer relationships.
- Supports paid advertising through Meta Ads.
- Useful for local businesses, promotions, and customer communication.

Instagram

- Focuses mainly on photos, videos, Reels, and Stories.
- Businesses can create Professional/Business accounts.
- Useful for visual branding and product/service promotion.
- Supports likes, comments, shares, saves, and DMs.
- Ads can be created and managed through Meta Ads Manager.

Linkedin

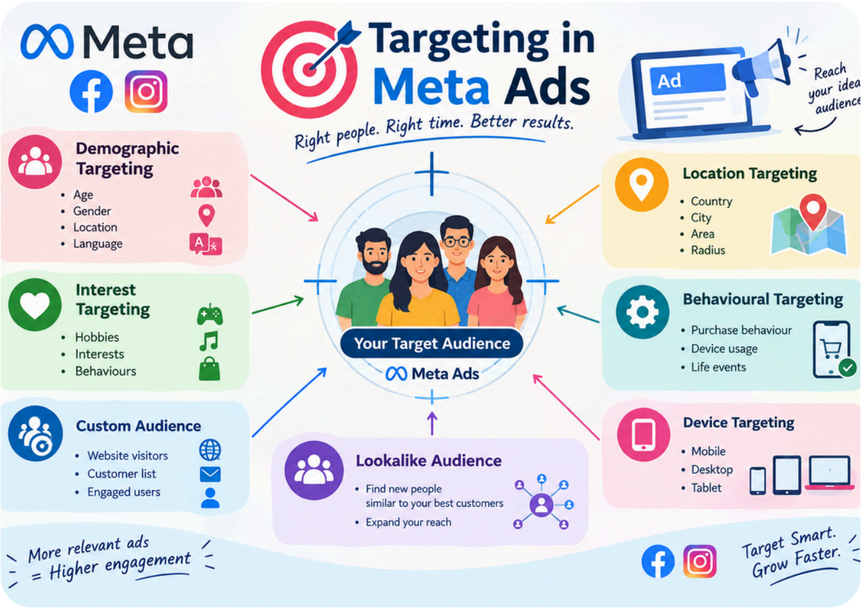

LinkedIn is a professional social media platform used for networking, career development, recruitment, business promotion, and professional content sharing.

TARGETING

Targeting is the process of selecting the specific audience you want your advertisement or content to reach based on factors such as age, location, interests, behavior, demographics, or professional information.

Main Types of Targeting

- Demographic TargetingAge
- Gender
- Education
- Income

- Targeting Finds people with characteristics similar to an existing customer or audience.

META ADS MANAGER
AWARNESS CAMPAIGN , TRAFFIC & LEAD

Awareness campaign is used to increase brand awareness and reach, so more people become familiar with a brand, product or service.

There are 2 types of Budget
CBO & ABO

Traffic Campaign

Traffic campaign is used to send people to a destination such as a website, landing page, app or other supported destination

Store Traffic

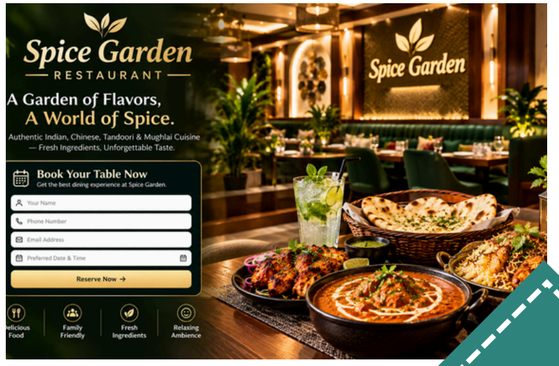

Store Traffic is designed to encourage people to visit a physical business location.

Lead Campaign

Lead campaign is used to collect information from potential customers, such as name, phone number and email, so the business can follow up with them.

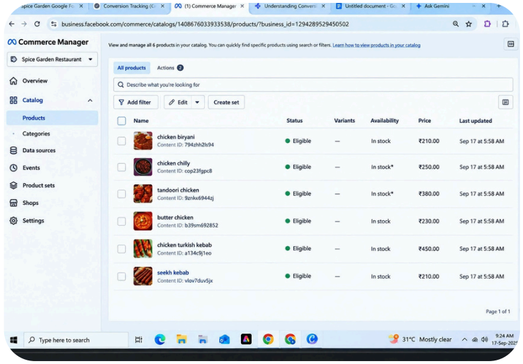

Commerce Manager

Meta Commerce Manager is a Meta tool that helps businesses create and manage product catalogs, shops, inventory, and shopping-related activities across Facebook and Instagram.

LinkedIn Awareness Ad

A LinkedIn Awareness Ad is used to increase brand visibility and reach among a professional audience. It helps businesses introduce their brand, product, service, or message to relevant LinkedIn users.

Main Points

1. Build Brand Awareness – Make more people familiar with your brand.
2. Reach Professionals – Show ads to relevant professional audiences.
3. Increase Visibility – Expand your brand presence on LinkedIn.
4. Promote Brand Message – Communicate your company, product, or service.
5. Target Specific Audiences – Target by job title, industry, company, skills, location, and more.
6. Use Engaging Creatives – Sponsored images, videos, and other ad formats can attract attention.
7. Measure Results – Monitor impressions, reach, engagement, and other campaign metrics.

THANK YOU
